

NEW FREQUENT PARKER PROGRAM INFORMATION & TRANSITION DETAILS

What are the changes to the JAX PASSPORT Frequent Parker Program and how does it affect my account?

Current and new **JAX PASSPORT** members will be able to enjoy all the same parking and Frequent Parker Program benefits from the previous system. The only changes are the website in which the Frequent Parker Program functions, and the type of pass needed to enter and exit.

Previously, all **JAX PASSPORT** members used an electronic Hang Tag to enter and exit the on-airport parking facilities (excluding Valet and Premier Parking). The new **JAX PASSPORT** Frequent Parker Program system will allow members to use a **JAX PASSPORT** Automated Pass or up to 2 different license plates to enter and exit.

How to transition into the new system.

All active members received a transition email. If you did not receive the email and want to register in the new program, please visit <https://www.jaxpassport.com> to set-up a new account by:

- Completing the online form and providing information such as name, billing address, license plate, credit or debit card information, email address, password, etc.
- Your email address will be your username

The information provided will be used to allow you to enter and exit the JAX on-airport parking lots and garages (excluding Valet and Premier Parking) without having to pull a ticket or pay through a cashier/attendant. The credit or debit card on file will automatically be charged each time you exit the parking facility and you will automatically earn points for the parking stay. The program website is completely secure and member information will not be shared or sold to any third-party companies.

Members are awarded 10 points per dollar spent on parking in the JAX Airport parking lots or garages. Valet and Premier Parking are NOT included in the program.

Transitioning JAX PASSPORT customers: your points will automatically carry over and you will continue to earn 10 points per dollar spent.

How does the JAX PASSPORT Frequent Parker Program work?

Members are assigned a **JAX PASSPORT Automated Pass**, which is securely linked to the credit or debit card on file. Members can also enter up to two (2) license plates when registering for the program. All members will receive a **JAX PASSPORT Automated Pass** even if they have provided a license plate number during the registration process. If you chose not to enter a license plate number, please use the **JAX PASSPORT Automated Pass** that will be mailed to you. The **JAX PASSPORT** online account will also be credited with points from the parking stay and a receipt will be emailed.

All Entry and Exit Lanes at each Parking Facility will have an **JAX PASSPORT** Automated Pass Reader. Simply hold your **JAX PASSPORT** Automated Pass in front of the reader to raise the gate.

How do I redeem points for FREE parking?

First, login to your **JAX PASSPORT** account, select “Redemptions” and then checkmark the box “Redeem Points on next visit”. You will then click the gray box that says, “Create Redemption”. The system will default by showing the date that you selected the redemption. The date and time will adjust after you exit the parking location.

Note: The system will use the total available points in your account and adjust how many are used based on the location you park in. If you park for more days than you have points, the balance will be charged to your credit or debit card on file. You will receive points for the cash portion of his transaction.

Upon arriving at the airport, simply enter and exit your preferred parking location, as usual, with your **JAX PASSPORT** Automated Pass or license plate in order to have the points credit applied to your account. **There are no certificates to present or reservations required prior to entering the lot.** The transaction will be handled through the automated system.

Please Note: If you are already parked and you forgot to create the redemption, you can do so after you have entered the parking garage or lot. However, the redemption must be created prior to exiting.

JAX PASSPORT points will not be earned on days when free parking redemptions are used. Points are only earned on days of PAID parking.

A FREE parking redemption does **not** reserve a space in any of the airport's on-site parking lots. If you arrive and your chosen parking location is full, you must park in an alternate on-airport parking location.

The chart below illustrates how many points are needed for one day of FREE parking in each facility:
